The Litigation Section of the State Bar of California is presenting a series of informal “brown bag” luncheons during which interested members of the bar can meet and discuss topics casually with members of the California Judiciary in a small group setting. We are honored to have Judge James Kleinberg of the Superior Court participate in this program. Judge Kleinberg currently presides over the civil discovery department. Prior to joining the bench, he was a civil litigator with 35 years experience handling and trying complex commercial disputes. Judge Kleinberg understands the discovery and advocacy process from both sides of the bench.

Judge Kleinberg will provide suggestions regarding written and oral advocacy, as well as explain and answer questions regarding the procedures followed in his courtroom. He will also discuss ways to make discovery and the motion process work effectively for the Court and the parties.

The Bench-Bar Lunch will be held Friday, June 3, 2005 from Noon to 1:30 p.m. in Judge Kleinberg’s Courtroom, Department 14. Those interested in attending must register no later than May 30, 2005, by contacting Erik Olson at [EJOlson@mofo.com](mailto:EJOlson@mofo.com). The program is open to all members of the Litigation Section, but space is limited. Priority will be given to early responses. Those who plan to attend should bring their own “brown bag” lunch. This event has been approved for .75 hours of MCLE credit by the State Bar of California.

The State Bar of California Office of Section Education & Meeting Services is a State Bar of California approved MCLE provider.
